Ref: Waste collection services in the Cedar Mountain Area – Kane County, Utah

To Whom It May Concern,

This letter is to confirm that residential properties within the Cedar Mountain area of Kane County, Utah, are served by the Western Kane County Special Service District No. 1 (WKCSSD).

The Cedar Mountain Area as defined generally by the WKCSSD consists of the non-municipal/unincorporated areas North of US Hwy 9 extending to the Northern boundary of Kane County and West of US Hwy 89 extending to the Western boundary of Kane County.

WKCSSD does not provide curbside residential waste collection service in the Cedar Mountain area.

Residents and property owners are responsible for transporting household waste to the designated residential dumpsters located throughout Duck Creek Village, Zion Ponderosa, and other surrounding subdivisions in Kane County.

A map identifying the Kane County Cedar Mountain area and its designated residential dumpster locations is attached for reference. Additional information regarding dumpster locations and waste collection services is available on our website at wkcssd.com/cedar.

Please feel free to give us a call if you have any questions regarding this matter at (435) 644-5645.

Sincerely,

A handwritten signature in blue ink, appearing to read "Danny Little", is written over a light blue horizontal line.
